

58mm Direct Thermal Receipt Printer RPT001

Cost-effective RPT001 thermal printer is designed for small retailers. It offers fast, reliable receipt printing.

Fast printing with multiple options is ideal for retailers with low POS volume. It delivers all the features you need to ensure quick transactions for your customers. It prints both text and graphics on receipts at speeds up to 90mm/second.

Comes with everything you need in one box for quick setup and installation. The box includes manuals, drivers and cables.

The RPT001 is compatible with most of today's best-of-breed POS systems.

Features

- 90mm/s high speed printing.
- Easy paper loading Structure Design.
- ESC/POS Command Support.
- Compatible with Windows, Linux and Android
