

## Touch Screen Self Service Kiosk K7 Series

**The 3nStar K7 Series** is a modern, high-performance self-service kiosk solution designed for versatility and durability. Whether wall-mounted or floor-standing, the K7 adapts to high-traffic areas, compact spaces, or sleek commercial environments such as retail, healthcare, hospitality, and more.

With clean internal cable management, secure integrated systems, and easy maintenance, the K7 delivers both elegance and reliability in every interaction. Available in 23.8" and 32" touch display sizes, the K7 stands out for its sleek steel construction, and powerful configuration options including Android or Windows/Linux OS with Intel® 12th Gen or Rockchip processors.

### Features

- Available in 23.8" and 32" Full HD Capacitive Touch Screen
- Sleek steel construction that combines durability with contemporary style
- Multiple OS options: Android or Windows/Linux
- 8GB RAM expandable to 32GB (Windows/Linux)
- Solid State 240GB Hard Drive expandable to 1TB (Windows/Linux)
- Optional Integrated high-speed 80mm thermal printer with 1.5M cut life
- Optional peripherals: 2D Barcode Scanner with OCR, MSR 3 Tracks, NFC and 5MP Camera
- Flexible Installation: Wall-mounted or floor-standing with secure, stable base.
- Built-in speaker, microphone input, and rich I/O including USB 2.0/3.0, RJ45 Ethernet, HDMI/VGA

**Power of Versatility:** From fast food counters to cinema halls, the K7 Series adapts to any environment. Wall-mounted or freestanding, it delivers speed, convenience, and a seamless self-service experience wherever it's needed.

**Two Sizes, One Experience:** The K7 Series is available in 23.8" and 32", giving you the freedom to choose the perfect screen size for your business. Whether optimizing for compact areas or creating bold visual impact in high-traffic zones.

**Configurable Power:** The K7 gives you control over your performance needs. Choose from Android Rockchip Octa Core, Intel® N97, Core™ i3, or Core™ i5

**Effortless Access. Intelligent Design:** The K7 opens with ease, revealing a clean and organized interior built for speed and service. Every component is strategically placed for quick maintenance, upgrades, or installations.
