

Fanless

All-in-One POS System P4 Android

The 3nStar P4 Android is a 15.6" sleek, compact, and powerful All-In-One POS solution designed for businesses that demand both style and performance. Built with an aluminum die-cast housing for durability, the P4 combines modern aesthetics with reliable technology.

Available with Android 14 Rockchip RK3576 Octa Core processor, it adapts to different performance needs while keeping a small footprint. With memory, SSD storage, and flexible connectivity options, the P4 delivers a seamless checkout experience for retail, hospitality, and beyond.

Features

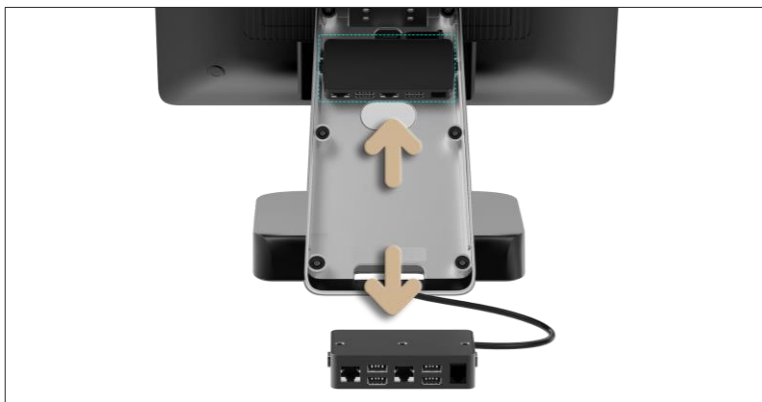

- 15.6" Capacitive Multi-Touch Display - Delivers a bright, high-resolution image and highly responsive touch performance.
- Processor: RK3576 Octa-Core for powerful and efficient performance.
- Memory: 8GB RAM for smooth multitasking.
- Storage: 64GB internal storage for reliable data handling.
- Connectivity: Dual-band Wi-Fi (802.11 a/b/g/n/ac) and Bluetooth.
- Rich I/O Interface: Supports multiple peripherals and accessories.
- Optional 10.1" Customer Display - Enhances customer engagement and interaction.
- Optional MSR (Magnetic Stripe Reader) - Enables convenient card transactions.

Foldable Design: The P4 adapts to any workspace with its innovative foldable design. Easily adjust the screen angle or fold it flat for flexible installation, effortless transport, and a clean, modern countertop presence.

The Ports You Need: USB 3.0, USB 2.0, LAN, Display, audio, and more—everything you need to power your point-of-sale ecosystem is right at your fingertips with the P4.

Expansion Hub:

The P4 Expansion Hub offers flexible connectivity for your All-in-One POS system.

Designed to mount directly on the frame or extend outward for easy access, it provides additional ports for peripherals such as printers, scanners, and cash drawers.

Smart Performance: The P4 delivers powerful and efficient Android performance with the Rockchip RK3576 Octa-Core processor, designed to handle multi-tasking, data processing, and demanding applications with speed and stability.
